## Priority of Access

Child Care Providers are asked to consider prioritising children who are:

- at risk of serious abuse or neglect
- a child of a single parent or parents who satisfy the work / training / study test under section 14 of the A New Tax System (Family Assistance) Act 1999.

This reflects the Australian Government's intention to help families who are most in need, and support the safety and wellbeing of children at risk in accordance with the Framework for Protecting Australia's Children 2009 -2020.

Catholic Early EdCare services priorities for placement include:

- siblings of children already enrolled at the service
- families attending the Catholic school.
