  - **Friendly Schools Plus** – K. Rowlands.

Formally known as the Friendly Schools and Families Program, this updated version contains 75% new content, and promotes safe behaviours, strategies and emotional wellbeing. This program is covered in classes in the first 6 months of the year. Mrs. Rowlands proposes the P&F consider purchasing the Parent Resource Book for each family, and there was a suggestion for voluntary donations from families. Motion to be put forward at next meeting.
  - **Daniel Morcombe Child Safety Curriculum.**

Developed by the Department of Education, Training and Support, together with the Daniel Morcombe Foundation. This is an age appropriate curriculum that is built upon each year. "Recognise, React, Report." As a school, it was decided to teach this in an intensive 3 week block in Term 3, in the lead up to Walk for Daniel Day on 31<sup>st</sup> October.
